

## Having a collection for Cardiomyopathy UK

Thank you so much having a collection to support our work, every penny collected makes a real difference to the services we can provide. Once your collection is complete there are several ways you can pay in your funds.

### By cheque

Please make cheques payable to 'Cardiomyopathy UK' and send them to us to the address below, along with a note including your contact details and telephone number, and how you raised the funds e.g 'collection at work'. If you had a plastic collecting tin please tell us the number on the sticker on the bottom, and where it was placed.

**\* Please do not send us cash in the post as sadly it is unlikely to reach us \***

## Gift Aid – As if by magic turn every £1 donated into £1.25!

We are able to claim the tax back on donations you make to our charity, so can claim an extra 25% on top of your donation, at no extra cost to you. All you need to do is fill out a Gift Aid Declaration and return it to us with your donation; let us know that we can claim Gift Aid when speaking to us on the phone, or tick the box when donating on our website. When you email us to let us know that you've made a bank transfer please mention Gift Aid, and we will send you out a declaration in the post. You can also complete a declaration online at [www.cardiomyopathy.org/giftaid](http://www.cardiomyopathy.org/giftaid)

**Please note:** we can only claim Gift Aid on personal donations that come direct from an individual. For example, if **you** donated £20 we can claim Gift Aid on it. If you are sending us money that has some from several different people (for example, you have had a cake sale or collected sponsorship for a walk) we are not able to claim Gift Aid on this because it has come from several different people (even if you are sending it to us in one go). In order to be able to claim Gift Aid, we would need a Gift Aid declaration from everyone who has given you a donation for us.

## What next?

If you would like to continue to have a collection for us we would be very grateful for your support. If you have a collection tin but need new seals please contact us at [fundraising@cardiomyopathy.org](mailto:fundraising@cardiomyopathy.org) and we will send some out to you. Please don't use a damaged collecting tin; we can arrange to send you a new one. **Thank you!**
